How to Pass Control

Control can be given to any student using a mobile device with the MimioMobile™ app or a MimioPad™ tablet. Click on the Control icon and select the student device you wish to transfer control to.

Take back control by tapping the available button on the teacher mobile device.

Give control to another student by clicking "Control" and choosing that student's device.

| | Teacher | | | | | | | | | | | | | | | | |

Control can also be accessed within MimioStudio™ software under Applications.

Collaborate

Up to nine mobile devices, MimioPad tablets, or a combination of each can be connected at once. All will be able to independently use their own whiteboard space, and all Collaborate sessions will be displayed at the front of the classroom.
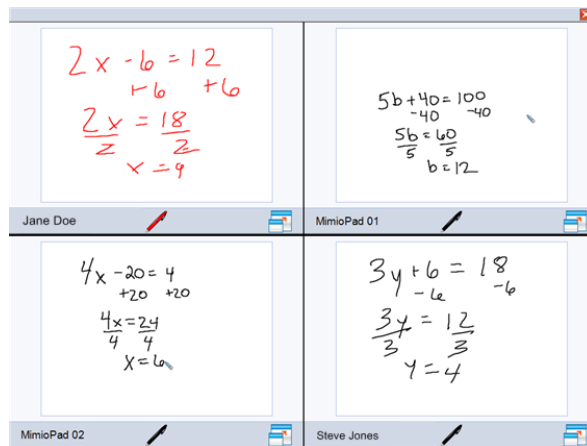

Teacher

The Collaborate feature can also be accessed within MimioStudio software under Applications.

Collaborate

Assessment

You can get real-time assessment with the MimioStudio Quick Vote feature using mobile devices with the MimioMobile app, the MimioVote assessment, or a combination of both.

Teacher-Led and Self-Paced Assessment modes are available using the standard MimioVote toolbar at the bottom of the screen. Note that the toolbar must first be enabled.

Teacher

MimioVote / Quick Vote

The Quick Vote tool can also be accessed within MimioStudio software under Applications.
